

For over 18 years we've delivered highly skilled consultants to Temenos projects across the globe

Skillfinder International - Your Trusted Partner in Temenos Recruitment

For 18 years, we've enhanced client efficiency by providing tailored Temenos T24 specialists. Our expertise covers all Temenos projects, including upgrades, implementations, integrations, migrations, and BAU.

We match specialists to specific needs, from AA for corporate banks to Payments for retail banks and Securities for wealth management.

Our candidates have successfully implemented Temenos T24 in numerous banks, improving customer experience through mobile apps, secure online portals, and streamlined onboarding. They've also managed system upgrades, optimized performance, provided ongoing support, and facilitated cloud migrations and user training.

With 18 years of experience, we've placed over 70 Temenos professionals with 35 clients in 22 unique locations.

Our expertise spans key roles such as Triple-A Consultant, T24 Business Analyst, T24 Architect, and more.
